Letter Storm Hits the Apple Store Like a Hurricane

Silver Spring, Maryland, July 23, 2014 – Mega-Prompt, a mobile app developer and publisher, is pleased to announce the release of Letter Storm to the Apple Store. An Android version released shortly hereafter.

In Letter Storm, you race against the clock to assemble words as letter tiles rain down onto the screen. Every level from one through forty-eight challenges you to complete a new objective before you can move to the next one. This game is a true test of how quickly your mind functions under pressure. Play through new obstacles as you encounter tiles that freeze time or explode.

Letter Storm features:

- A dictionary with over 170,000 words
- Forty-eight challenging levels with more to come!
- A variety of fun objectives including:
 - Race against time
 - Clear the screen
 - Accumulate tons of points
- Three challenging modes to play in, and Easy mode for passing difficult levels
- Three upgradable types of power ups
- Online leaderboards so you can see how you compare

Everyone in the Mega-Prompt focus group regardless of age, gender or education level who played Letter Storm loved the game. Sixteen year-old Nikolai Petrovic said “I can’t wait for the game to be released. It’s a lot of fun and highly addictive.” Adult focus group member Patricia Wilkins added “I could not put the game down. It was a true test of brain power.”
